POINTS OF INTEREST

There's lots for everyone to see and do here! Henley is a lovely town famous for it's Royal Regatta, the oldest river regatta in the world, held at the end of June/beginning

of July each year. Along this path is the award-winning River and Rowing Museum, Marsh Lock with its unusual horse bridges, a playground and plenty of places to sit and enjoy the view, the boats and the birds on the river.

PLEASE NOTE: Beyond A path joins a pavement that continues into Henley, and beyond B it continues down a steep bridge slope and then becomes narrow, rough and muddy at times.
