WC: In Leisure Centre and Higginson Park (RADAR key)
1. Court Garden Leisure Centre.
2. Kiosk in Higginson Park

ROUTE DESCRIPTION

A Follow path through park to river at B.
B Turn left and follow river towards bridge.
C Either continue along river to the bridge, or bear left into Higginson Park. Return along same route.

PLEASE NOTE: The Thames Path upstream from B has a hard bumpy surface with some stones up to 30mm and some severe cross slopes and small bridges with steep slopes of up to 1:5.

POINTS OF INTEREST

William Tierney Clark, who earlier had built Hammersmith Bridge in London, designed Marlow’s fine suspension bridge over the River Thames. It was opened in 1832 and refurbished in the 1920s.

Path surfaces can change. This information was correct in July 2011
